Shipping & Additional Info: *follow these as closely as possible to ensure the safe arrival of your package*

Please note: Please write everything clearly because if we can't read your handwriting, your package could end up in the wrong place... and that would be a bummer. There is no minimum ordering amount, but please keep in mind that buttons, posters and stickers cannot be ordered alone, they must be ordered along with a CD, record or t-shirt. Send well hidden US cash or a money order payable to "**Robotic Empire**" only. Sorry but we do not accept checks, if you send one it will be returned to you. **Be sure to list alternatives** too. If we run out of something and don't list alternatives, we're just going to send you something that we have a lot of... and you might not want it or already have it. So make it easier on both of us, just list alternatives! International customers: please be sure to specify whether you're ordering with "surface mail" or "air mail" shipping. Pricing information for all items is available on our website at www.roboticempire.com
